

ROCKS!

QUARTZ IS ON THE RISE!

Our dedicated Quartz selection center has moved quartz sales from 3% to over 20% in the last 6 months! The amazing growth of quartz is attributed largely to a dramatic improvement from many different vendors on its price point along with the variety and range of colors. Colors most similar to marble are leading the trend and manufactures like LG, Spectrum, Ceasarstone, Cambria, Silestone, Zodiac, "Q", Hanstone, Pental, and Select have been quick to catch on!

Stone Masters offers new Select Quartz colors in sample kits and displays for YOUR showroom. That are readily available, customize-able, and profitable!

SOAPSTONE SINKS AND AFFORDABLE DIY BLANKS

Custom made-to-order and stock soapstone sinks are also on trend. They pair great with classics like Cararra or even one of our flying off the shelves popular DIY Blanks.

The DIY Blanks are self tempalted, self fabricated, self installed starting at \$400 they're a steal!

Grass Doesn't Grow Under Our Feet!

NEW CNC AND RECORD MONTHS!

Our second CNC stone router was delivered and set up this August, effectively doubling our existing production capacity. With both Northwood CNCs in full operation, Stone Masters Inc, has progressively and actively automated the finished of edge treatments, edge polishing, sink cutouts, sink mounting systems, and material handling. This new addition came just in time with record months in September, October, and November!

Pent up customer demand, numerous commercial project, lower fuel prices and consumer confidence can all be attributed to a record number of renovations.

INTRODUCING NEW PRODUCTS AND LINES

(DRUMROLL!)

Artisan's new composite sink styles and farmhouse fireclay are now on display and readily available for selections. Custom Cupboards and all the way from the heart of Amish country, LeVant, have joined our collection, filling the need for custom and semi-custom designs.

Stone Masters Spotlight

"You're only as good as the company you keep"

Here's some of the company we keep:

In an annual tradition Pine Street Carpenters is building bikes, **100 of them!** They buy unassembled bikes, host a festive bike-building party, and then deliver the bikes to deserving children in the region through their partner non-profit agencies. To date, they've built 537 bikes and are getting ready to add another 100 bikes to that total this year!

If you want to help...

Sponsor a bike! A donation of \$100 buys a brand new bike for a child. Send a check payable to "Pine Street Carpenters – 100 Wheels Project" to: Pine Street Carpenters, 901 S. Bolmar St., Suite N, West Chester, PA 19382.

Donate a bike helmet or lock! Donations of helmets and locks will be paired with each bike. Helmets can be for boys and girls ages 3-17. Donations may be dropped off Monday - Friday, 8AM - 5PM, at The Kitchen Studio.

Employee of the Month!

Lauren flawlessly runs our front end: scheduling, estimating, you name it! In a nearly unanimous vote by her co-workers she's earned two extra paid vacation days. Which she used on her adventure in Iceland!

Everyone Loves Jack!

If you have been to Stone Masters, you probably have met Jack, our greeter. How can you resist the cuteness here?! If you don't know Jack, YOU are missing out.

If you stop by, bring a biscuit. he'll love you!
